

Home Cleaning Checklist

🌸 Trusted Cleaning Services for Los Angeles and surrounding areas

Based in LA, Elite Cleaning Solutions LLC offers thorough, professional cleaning services designed to keep your home fresh and spotless. Use this guide to follow our Regular, Deep, and Move-In/Out cleaning services.

Standard Cleaning

- Dust furniture, tables, and shelves
- Vacuum carpets and rugs
- Sweep and mop floors
- Wipe down kitchen surfaces (sink, counters, stovetop exterior)
- Clean bathrooms (sink, toilet, mirror, shower exterior)
- Empty trash bins and replace liners
- Make beds (without changing linens)

Deep Cleaning

Comprehensive Coverage

Includes all tasks from our Standard Cleaning service.

Detailed Surface Attention

Detailed cleaning of baseboards, doors, and light switches.

Grout and Tile Restoration

Thorough scrubbing of tiles and grout in kitchens and bathrooms.

Underneath and Behind

Cleaning behind and under furniture (when safe to move).

High Fixture Cleaning

Cleaning of ceiling fans and accessible light fixtures.

Interior Window Sparkle

Cleaning inside windows (exterior window cleaning not included).

Move-In / Move-Out Cleaning

1

Comprehensive Deep Clean Included

Covers every meticulous detail from our standard Deep Cleaning service, ensuring a spotless foundation.

2

Interior Cabinet & Drawer Cleaning

Meticulously clean inside all kitchen, bathroom, and utility cabinets, drawers, and closets.

3

Enhanced Kitchen & Bath Detail

Beyond surfaces, we deep clean and sanitize all fixtures, appliances (exterior and interior of microwave), and hard-to-reach areas.

4

Door & Trim Wipe-Down

Thorough wiping of all doors, door frames, baseboards, and light switch plates for a truly finished look.

5

Spot Wall Cleaning

Careful spot cleaning of walls to remove scuffs and marks, always prioritizing the integrity of paint and finishes.

Office Cleaning

→ Desk and Surface Dusting

Dust all desks, chairs, and accessible surfaces, ensuring a clean work area.

→ Floor Care

Vacuum carpets and rugs, and sweep and mop all hard floors to remove dirt and debris.

→ Sanitization

Sanitize doorknobs, light switches, and other high-touch areas to promote a healthy environment.

→ Restroom Services

Clean and sanitize bathrooms, and restock supplies if provided by the client.

→ Waste Management

Empty all trash bins and replace liners throughout the office.

→ Common Area Cleaning

Thoroughly clean common areas such as reception desks, waiting rooms, and breakrooms.

Vacation / Airbnb Cleaning

All Standard Cleaning Tasks

We perform a thorough standard cleaning to ensure all primary living areas are immaculate.

Fresh Linens & Towels

Change bed linens and towels, making sure everything is fresh and neatly presented for incoming guests (if provided by host).

Kitchen Surface Wipe Down

Clean and sanitize all kitchen surfaces, including countertops and stovetop exterior (does not include inside appliances).

Basic Supply Refill

Restock essential items like toilet paper, paper towels, and hand soap (if provided by host).

Space Organization & Staging

Organize and meticulously stage the space to create a welcoming and appealing environment for new arrivals.

Lost & Found Check

A final check for any items left behind by previous guests, ensuring nothing is overlooked.
